

Innova™

featuring breakthrough AIR°gel™ technology

The Innova® Nasal CPAP mask features our patented AIR°gel with Advanced Cushion Technology and Active Headgear Connector™. Together, they provide an optimal fit, maximum comfort, and freedom to move without breaking the seal.

Move Freely with Our New Nasal Mask

AIR°gel

Maximum comfort, minimum weight. Our patented AIR°gel minimizes pressure points and skin irritation.

Quick-Release Headgear

Lightweight, breathable headgear slides off easily with one hand.

360° Rotating Elbow

For optimal tube positioning and easier mobility

Touchless Spacebar™

Unique design eliminates any contact with the patient's forehead.

Size Indicator

available in two sizes.

S/M **M/L**

Advanced Cushion Technology (A.C.T.)

Our ergonomic cushion technology delivers an effective seal for the most comfortable fit.

Active Headgear Connector

Moves as you move for a reliable seal.

Made in the USA

What makes our Innova Mask different?

- Our unique *Active Headgear Connector* moves when you move to help maintain a seal throughout the night.
- Easy-to-use with a *Quick-Release Headgear Connector*.
- *Touchless Spacebar™* eliminates any contact with the forehead, yet retains stability.
- Available in two sizes with 4-point simple and breathable headgear.

About AIR°gel

Patented AIR°gel cushion delivers an effective seal while minimizing pressure points on the skin.

How does Innova compare to the competition?
